

RECYCLING RULES

- 1. Only residents may use this room.**
- 2. All cardboard must be clean.**
- 3. All cardboard must be flattened.**
- 4. All cardboard must be cut or folded into manageable sizes.**
- 5. All cardboard must be either tied securely or added to an existing bundle. Inform Security or Property Management if there is no more cord.**
- 6. Styrofoam must not be included or added to cardboard bundles.**
- 7. Remember, there is no one paid to look after your recycling. If you don't do it, then another owner will have to clean up your garbage.**
- 8. Divide clean recycling materials into proper blue bins.**
- 9. Put batteries in metal container on wall.**
- 10. Put all LCBO and Beer store containers in boxes provided.**
- 11. Plastic bags should be taken back to area grocery stores or other stores listed on "Take-It-Back Halton" web site.**
- 12. Do not leave articles in the recycle room that cannot be recycled.**
- 13. All items that are not recyclable or too large for garbage chute must be taken to the Halton Waste Management site on Bronte Rd.**
- 14. KEEP ROOM CLEAN.**
- 15. No pets are allowed in the Recycling Room or Garbage Room.**
